

Job opportunity: FIELD SERVICE TECHNICIAN

Location: Thornton Township, IL

Great opportunity for growth – join an established international company and get in on the ground floor! We are hiring hands-on Field Service Technicians immediately.

What You'll Do

- Offload product from bulk tanker trucks at customer facilities
- Operate, inspect, and maintain equipment
- Schedule and coordinate shipments
- Repair equipment as needed
- Follow safety procedures and maintain production records
- Work directly with customers to meet operational needs

What We're Looking For

- Mechanical aptitude and hands-on skills
- Comfortable using tools and equipment
- Good communication and customer service skills
- Reliable, safety-focused, and self-motivated
- Basic working knowledge of Microsoft Word and Excel
- OSHA certification a plus
- Must pass a 10-panel drug test

Schedule & Requirements

- 8-hour or 12-hour shifts as required
- Overtime as needed
- Occasional travel to customer sites for several weeks at a time

Pay & Benefits

- Competitive pay (based on experience)
- Overtime and vacation pay
- Medical / insurance benefits included
- Workers' compensation coverage included
- All travel expenses reimbursed
- Year-end bonuses based on sales and growth
- Full training provided
- Great opportunity for growth starting on the ground floor
